

WEST CHESTER EAST ICE HOCKEY CLUB

Fundraising Committee

Re: West Chester East High School Ice Hockey Program

Thank you in advance for your time and interest in our ice hockey club and our players/students. Our goal is to provide the youth of the West Chester East School District with an Ice Hockey program that ensures that those students who are interested in ice hockey are able to participate. Our parents and in many cases the children themselves spend a considerable amount of money to fund this expense. The school district does not provide any funding at this point. In addition to ice, referee and league fees each player/parent is responsible for their own equipment (gloves, pads, skates, sticks, helmets etc). This season's budgeted expenses amount to well over a hundred thousand dollars for six teams. We currently have two High School, two Middle School, one Varsity Girl's team as well as two Elementary School teams.

We are contacting you to request your sponsorship of our players in the form of a donation. We are attempting to raise additional funds thru several car washes as well as other sales opportunities provided to our 100 plus players. As a result of your support, West Chester East Ice Hockey Club would be honored to provide your company advertisement on our web-site which is viewed year round and visited by the 100 players and their families as well the families of all high school hockey players and anyone interested in High School Hockey in the Tri-State area.

Any consideration you can give to this cause will be greatly appreciated by the players and their families. Again, thank you for your time, consideration and interest in our club.

Please see reverse side for instructions on how you can be a sponsor of this highly valued program.
